
The Freedom to Read-American Library Association 1953

Children's Services in the Twenty-First Century-Michelle Connor 2009-01-01 Combines the ideals and philosophy of library service to children and includes all the fundamentals of library service to children.

Becoming a Media Mentor-Campbell 2016-07-09 Guiding children's libraries to define, solidify, and refine their role and media mentorship. The book is organized into four parts: (1) libraries and young people: who are they and what are their needs?; (2) an open forum of ideas addressing the role of technology; (3) buildings, design and spaces; (4) services and programs. The book concludes with a list of resources and an index. Children's Literature in Action: A Librarian's Guide, 2nd Edition-Sylvia M. Vardell 2014-07-29 Looking for a quick start guide to library service to children? The Association for Library Service to Children (ALSC) has outlined seven core competencies and programs and resources, and an overview of appropriate internet sites and services, this how-to gives thorough systematic study of storytimes done to date—this book recommends simple interactive ways to emphasize early literacy techniques and encourage children to use and practice their pre-reading skills while delivering the robust inherent in storytimes. And unlike many other storytime resources, the authors use the findings of VIEWS2 to frame their approach to planning and delivery—so that librarians can use this work as a starting point, and then continually improve how they meet the needs of their communities.

Public Library Service to Children in Wartime...-Mildred L. Batchelder 1944

Outstanding Library Service to Children-Brian C. Paterson 2018-02-07 A picture guide to library service for preschoolers in public libraries, including programming, collections management, child development, and dealing with caregivers.

Supercharged Storytimes-Kathleen Campana 2016-03 Based on the groundbreaking research of VIEWS2—the first systematic study of storytimes done to date—this book recommends simple interactive ways to emphasize early literacy techniques and encourage children to use and practice their pre-reading skills while delivering the robust inherent in storytimes. And unlike many other storytime resources, the authors use the findings of VIEWS2 to frame their approach to planning and delivery—so that librarians can use this work as a starting point, and then continually improve how they meet the needs of their communities.

<td>Children's Booklist</td>
<td>Children's Committee of the Theosophical Society</td>
<td>2005-01-01</td>
<td>Over 750 classic and current books reflecting many cultures and traditions, selected in response to requests for an annotated listing of quality children's literature. Chosen for artistic and literary merit and their contribution to the child's inner growth, these books address universal themes, stimulate the imagination, share great sentiments, and build respect for all living things. Includes picture books, fiction, myths and tales, world religions, poetry, science and nature, and general non-fiction; also resource books for parents.</td>
